Statement of Work

Project Name: Implementation of DevOps Services for 2024

This Statement of Work (SOW) is entered into on 2024-12-01, by and between Wide World Engineering ('Service Provider') located at 789 Engineering Drive, Woodgrove City and Woodgrove Bank ('Client'). This document outlines the scope, objectives, deliverables, and terms for the project.

Effective Date: 2024-12-01

Project Completion Date: 2024-12-31

1. Scope of Work

Wide World Engineering will provide the following DevOps services to Woodgrove Bank:

- Implementation and automation of CI/CD pipelines:

  - Design, develop, and deploy automated pipelines for application delivery.

- Cloud infrastructure monitoring and optimization:

  - Monitor cloud resources for performance and ensure cost efficiency.

- Development and maintenance of containerized applications:

  - Build, test, and maintain containerized services to enhance scalability.

2. Pricing and Payment Terms

- The total project cost is $43,000.

- Payment terms will follow the milestones or project agreements, with invoices issued accordingly.

- Payment is due within 30 days of each invoice date.

3. Terms and Conditions

- Both parties agree to maintain confidentiality regarding proprietary and sensitive information.

- Any changes to the scope of work must be documented and may incur additional charges.

- Wide World Engineering will not be liable for delays caused by external factors beyond its control.
